Installation site

Place the side table in a cool, well-ventilated indoor area and keep it away from fire or wet walls to avoid mould. Protect the side table from direct sunlight or rain.

Initial commissioning / use

Check the side table for damage before using it for the first time. The product may only be used if it is undamaged. Only place the side table on a level, solid surface.

- Do not place any hot or cold objects directly on the surface of the side table, use insulation (e.g. coasters).
- Do not place the side table near hot or cold surfaces.

Transport

- Lift and move the side table carefully.

Storage location

Store the side table in a dry, well-ventilated place that is protected from the weather as far as possible.

Care

- Clean the surfaces with a damp cloth and a mild detergent.
- Do not use aggressive cleaning agents for cleaning
- Also observe the instructions of the detergent manufacturer.
- When cleaning the side table, do not use a cleaner containing washing powder or other abrasive cleaning agents, as these can scratch the surface.

Waste disposal

- Dispose of the product and all components in accordance with local and country-specific regulations to prevent damage to the environment.
- Our packaging is made from environmentally friendly materials. They can be recycled and thus serve as valuable raw materials. Dispose of the packaging material (cardboard, dirty packaging, etc.) separately and professionally in accordance with the applicable national regulations.
- Contact the manufacturer if you are unsure about disposal.
- You can also obtain information on proper disposal from the local waste disposal centres
