Dear customer,

Thank you for choosing a product from **Home Deluxe GmbH.** We hope you enjoy your new GAIA WPC floor panel.

The instructions for use support you during installation, commissioning, operation and maintenance of the product. The instructions for use and the safety instructions must be read carefully and completely. Observe these instructions in order to avoid dangers.

1. General

1.1. Product overview

Model: WPC Floor Panel GAIA | Article ID: 21511 | Variant ID: 51195

1.2. General information

In order to live up to our claim, we are constantly improving the quality, simplifying the assembly, operation or adapting the products to the customer's wishes. Due to these changes, the current version of the instructions for use can be found on our homepage.

The term "product" is used in the instructions for use for the "WPC floor panel GAIA".

1.3. Warranty

The statutory liability for defects and warranty rights apply from the date of purchase.
Home Deluxe GmbH accepts no liability for damage caused by failure to observe the instructions for use. Complaints resulting from improper assembly or use are excluded from the warranty. In the event of defects to the product, please contact our customer service in writing via the contact form on our homepage, stating the product name, the serial number and a photo of the type plate:

Home Deluxe GmbH
Schanzeweg 2
32312 Lübbecke
Germany
Tel.: +49 (0)5743 6181-0

If you have any further questions, please contact our customer service via the contact form.

2. Information on the instructions for use

2.1. Availability of the instructions for use

The instructions for use are part of the product and should be kept complete and in the immediate vicinity of the product.

2.2. Target groups of the instructions for use

The instructions for use must be read and observed by every person involved with any of the following activities or use:

- Unpack
- Assembly / Installation
- Commissioning / Operation
- Maintenance / Testing / Care
- Troubleshooting / Repair
- Disposal

2.3. Translation information

The original instructions for use were written in German. Any other language available is a translation of the German version.

2.4. Explanation of symbols

Symbol	Explanation of symbols
	**WARNING** The symbol indicates possible hazards that can cause fatal and serious injuries. Before carrying out the corresponding assembly or application step, the corresponding note must be read.
	**INFO** The symbol gives important information and indicates damage to property. Observe these before carrying out the corresponding assembly or application step in order to understand problems and avoid damage.
	**Read instruction manual** The symbol indicates that the instructions for use must be read carefully before assembly/installation and/or operation of the appliance.

2.5. General information on the instructions for use

The instructions for use refer to the GAIA WPC floor panel. It contains important information on installation, operation, maintenance and cleaning. The instructions for use, in particular the safety instructions, must be read carefully before the product is used. Only use the product as described in these instructions for use to prevent accidental injury or damage. If you pass the product on to third parties, these instructions for use must also be handed over.

2.6. Intended use

The product is of high quality, durable and intended or suitable exclusively for private use to a reasonable and customary extent. Furthermore, our product is **not intended for** commercial use. Commercial use is only permitted with the written consent of Home Deluxe GmbH.

The product serves as a floor panel for indoor and outdoor showers.

Only use the product as described in these instructions for use. Any other use is considered improper and may result in damage to property or personal injury. The manufacturer accepts no liability for damage caused by improper or incorrect use.

2.7. General safety instructions

General hazard warnings

- Improper handling can lead to considerable personal injury and damage to property. For this reason, assembly, installation, commissioning, troubleshooting, maintenance and repair work may only be carried out by qualified persons.
- **Only** assemble the product if the scope of delivery is complete and in perfect condition.
- Make sure that all parts are undamaged and properly assembled. Improper assembly may result in injury. Damaged parts can affect safety and function.
- Only place the product on a safe, level and solid surface.
- Do not make any changes to the product
- Check the fastening at regular intervals.

Danger for children

- Keep children away from packaging materials. There is a risk of suffocation, among other things!
- Keep children away from the product.
- Keep children away from the assembly site while assembling the product. The scope of delivery contains small parts that can be swallowed or cause serious injuries.
- Do not place the product directly or in the immediate vicinity of a play area.
- Explain to the children how to use the product properly and never leave them unsupervised while playing.
- Remove all sharp objects, broken glass or stones from the vicinity of the product. Make sure that playing children are not endangered.
- Make sure that small children do not put small parts in their mouths.

Risk of injury
Improper handling of the product can lead to injuries

- Check the product for visible damage before each use.
- Do not make any constructive changes to the product. Any modification must be authorised in writing by the manufacturer and carried out in accordance with the instructions.
- If the product is damaged, it must no longer be used. Damaged parts must be repaired or replaced with original spare parts.
- Make sure that the product is permanently installed to prevent injuries.

Risk of damage

- Improper handling of the product can lead to damage.
- Do not open the packaging with sharp objects (e.g. knife, scissors or similar), as this may damage the product. Be careful when opening.
- Do not use the product near heat sources or open fire.

3. Product features

3.1. Technical data

WPC Floor Panel GAIA	
Dimensions (L x W x H)	1050 x 630 x 55 mm
Weight	13.9 kg
Colour	Anthracite

B	Substructure	4	
C1	Frame long	2	
C2	Frame short	2	
D	Plastic clips	12	
E	Foot	8	
F	Screw (M4x25)	40	
G	Screw (M4x20)	8	

5. Assembly

5.1. Safety instructions

All health and safety information must be read.

Risk of injury

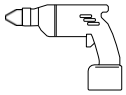

Improper handling during assembly can lead to injuries

- Immediately after unpacking, check that the delivery is complete and that the product and all parts are in perfect condition.
- **Only** assemble the product if the scope of delivery is complete and in perfect condition.
- Only place the product on a safe, level and solid surface.
- Be sure to observe the mounting dimensions and use the mounting material supplied.
- Assembly errors or damage caused by the assembly are excluded from the warranty.
- Wear protective clothing such as safety shoes and protective gloves during assembly.

5.2. Structure of the product

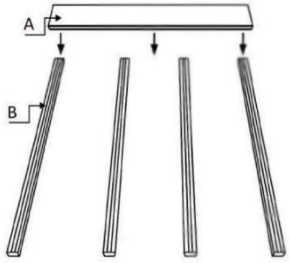

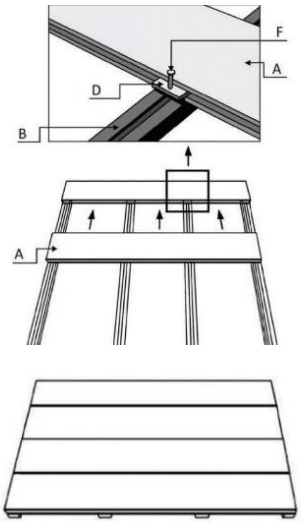

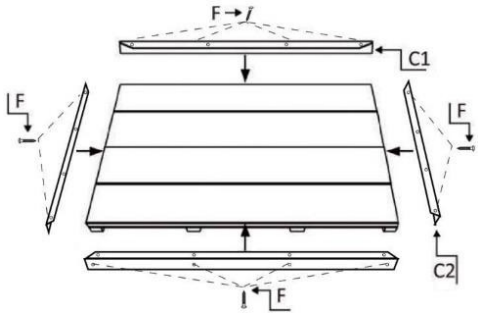

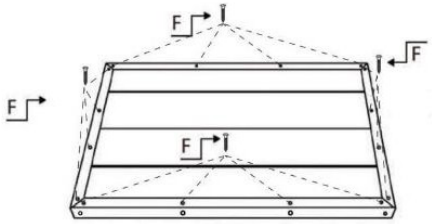

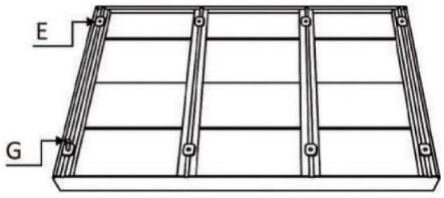

The product is delivered disassembled and can be assembled with little effort. Follow the assembly instructions carefully. If they are not followed, the function and safety of the product cannot be guaranteed.

Tools needed

	Screwdriver		Measuring tape
	Cordless screwdriver		Rubber mallet
	Spirit level		Cutter knife
	Pencil		

The following instructions must be read carefully.

Structure

Figure	Set-up step
	**Step 1** • Lay the WPC plank (**A)** straight and right-angled on the substructure.
	**Step 2** • Screw the 4x plastic clips (**D**) to the substructure with the screws (**F**). • Slide the next WPC plank (**A**) onto the screwed WPC plank and fasten it as in the previous step. • Repeat this with all WPC boards.
	**Step 3** • Fasten the frames (**C1**) and the frames (**C2**) to the sides of the substructure with the screws (**F**).
	**Step 4** • Screw the frames to the WPC boards from above with the screws (**F**).
	**Step 6** • Turn the whole construction over. • Mount the feet (**E**) from below at the intended places and screw them to the substructure with the screws (**G**).

6. Application

6.1. Safety instructions

The following health and safety information must be read carefully.

Risk of injury
Improper handling during operation can lead to injuries

- Do not use a damaged product.
- Do not make any changes to the product.
- The product is not a toy for children. Children are not allowed to play with the product.
- Operating errors or damage caused by incorrect operation are excluded from the warranty.
- Check the fastening at regular intervals.

6.2. Initial commissioning

Check the product for damage before using it for the first time. The product may only be used if it is undamaged.

6.3. Operation

Before using the product, check that it is in good condition.

6.4. Storage location

During the winter season, store the product and its accessories in a dry, well-ventilated place that is protected from the weather as much as possible.

7. Troubleshooting

If the following faults occur during operation, please check the following fault causes using the following table. If the fault cannot be remedied by the measures listed, take the product out of operation.

Error	Possible cause	Solution
The product wobbles or vibrates	- The product stands on uneven ground - The fixing screws have come loose - The product is too heavily loaded	- Place the product on a flat surface - Tighten the fastening screws - Respect load limits

If another problem occurs with the product, contact us.

8. Maintenance and care

8.1. Safety instructions

Risk of injury
Improper handling during operation can lead to injuries

- Clean the surfaces with a damp cloth and a mild detergent.
  Do not use aggressive cleaning agents or high-pressure cleaners for cleaning.
- Also follow the instructions of the detergent manufacturer.

9. Disassembly

Disassembly of the product must be carried out in reverse order to assembly. (**see chapter Assembly**)

10. Disposal

- Dispose of the product and all components in accordance with local and country-specific regulations, thus avoiding damage to the environment.
- Our packaging is made from environmentally friendly materials. They can be recycled and thus serve as valuable raw materials. Dispose of the packaging material (cardboard boxes, dirty packaging, etc.) separately and properly in accordance with the applicable national regulations.
- Contact the manufacturer if you are unsure about disposal.
- You can also obtain information on proper disposal from your local waste disposal centre.
