If you have any further questions, please contact our customer service team using the contact form.

2. Information on the instructions for use

2.1. Availability of the instructions for use

The instructions for use are part of the product and should be kept complete and in the immediate vicinity of the product.

2.2. Target groups of the instructions for use

The instructions for use must be read and observed by every person involved in one of the following activities or uses:

- Unpacking
- Assembly / Installation
- Maintenance / inspection / care
- Troubleshooting / repair
- Waste disposal

2.3. Information on the translation

The original instructions for use were written in German. Any other language available is a translation of the German version.

2.4. Explanation of symbols

Icon	Explanation of symbols
	**WARNING** The symbol indicates possible dangers that could result in fatal or serious injury. Before carrying out the corresponding installation or application step, read the corresponding note.
	**INFO** The symbol provides important information and indicates material damage. Observe these before carrying out the corresponding installation or application step in order to understand problems and avoid damage.
	**Use indoors only** The symbol indicates that the product may only be used indoors.
	**Read instructions for use** The symbol indicates that the instructions for use must be read carefully before using the product.

2.5. General information on the instructions for use

The instructions for use refer to the SWAY coat rack. It contains important information on installation, operation, maintenance and cleaning. The instructions for use, in particular the safety instructions, must be read carefully before using the product; keep the instructions for use in a safe place. Only use the product as described in these instructions for use to avoid accidental injury or damage. If you pass the SWAY coat rack on to a third party, these instructions for use must also be handed over.

2.6. Intended use

The product is of high quality, durable and intended or suitable exclusively for private use to a reasonable and customary extent. Furthermore, our product is **not** intended for commercial use. Commercial use is only permitted with the written consent of Home Deluxe GmbH.
Only use the product as described in these instructions for use. Any other use is considered improper and may result in damage to property or personal injury. The manufacturer accepts no liability for damage caused by improper or incorrect use.

2.7. General safety instructions

General hazard warnings

- The product can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the product in a safe way and understand the hazards involved.
- The provisions of national laws and regulations must be complied with at all times.
- Components may only be replaced with original repair parts. Failure to do so can have serious consequences.
- Do not use any accessories other than those recommended by the manufacturer.

Danger for children

- Keep children away from packaging materials. There is a risk of suffocation!
- Keep children away from the product.

Risk of injury
Improper handling of the product can lead to injuries

- Check the product for visible damage before assembly.
- Do not make any design changes to the product. Any modifications must be authorized in writing by the manufacturer and carried out in accordance with the instructions.
- If the product is damaged, it must no longer be used. Damaged parts must be repaired or replaced with original spare parts.

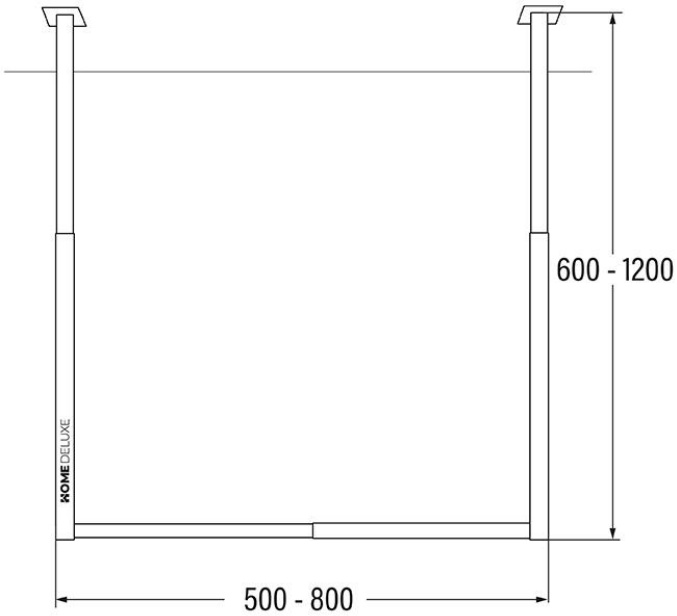

Risk of damage

- Improper handling of the product can lead to damage.
- Do not open the packaging with sharp objects (e.g. knives, scissors or similar) as this may damage the product. Be careful when opening.
- If you open the packaging carelessly with a knife or other sharp objects, the product may be damaged. Be very careful when opening.

3.2. Product description

Bring order and elegance to your wardrobe with our versatile coat rail in stylish black. This coat rail has been developed to meet your requirements in terms of functionality and design. The adjustable height (30 cm) and width (60 cm) make it possible to adapt the rail perfectly to your needs and use it in almost any room. With its high load capacity and robust construction, this clothes rail offers plenty of space for jackets, coats, bags and more. Thanks to our **SHAPE** S-hooks and **RACK** hangers, you can hang your clothes and accessories in a stylish and organized way. The simple assembly allows for quick and easy installation, so you can create order in no time at all.

4. Scope of delivery

Check the packaging for external damage on delivery. Furthermore, immediately after unpacking, check that the scope of delivery is complete and that the product and all components are in perfect condition. Only assemble the product if the scope of delivery is complete and undamaged.

4.1. Safety instructions

All health and safety information must be read.

Risk of injury
Improper handling during installation can lead to injuries

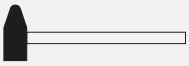

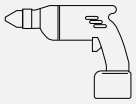

- Read the instructions for use carefully.
- Do not make any changes to the product.
- Check the product for damage at regular intervals.
- The product may only be used indoors.
- Do not expose the product to rain, moisture or other liquids.
- Wear protective clothing such as safety shoes, protective gloves, etc. during installation.
- Make sure that the package is opened at the top. Be very careful when opening.
- Check the product for damage or scratches after unpacking.
- Ensure that children do not have access to the work areas during installation. There is a risk of accidents.
- The installation may only be carried out by a qualified specialist!
- Operating errors, installation errors or damage caused by the installation are excluded from the warranty.

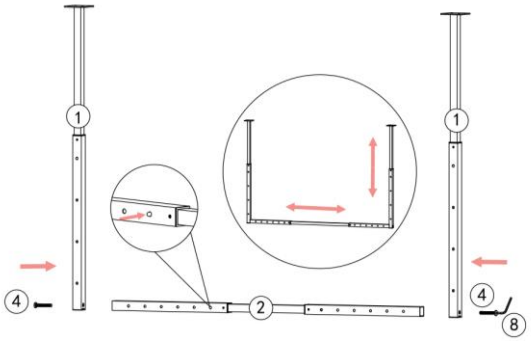

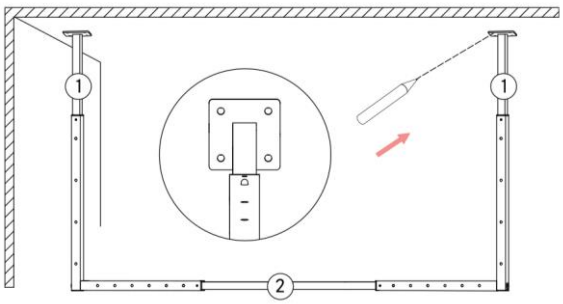

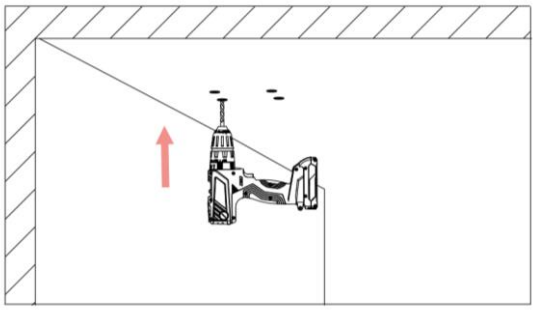

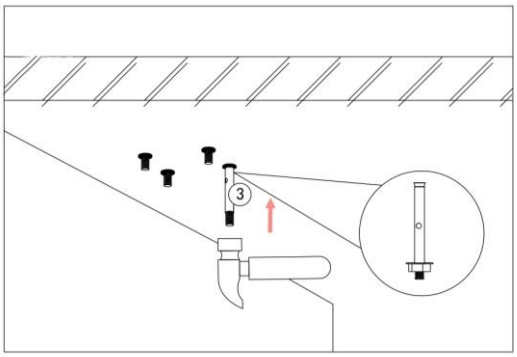

5. Assembly of the product

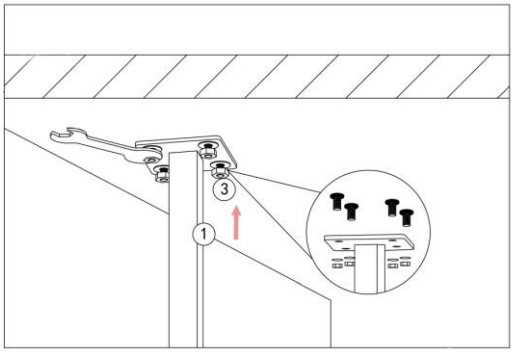

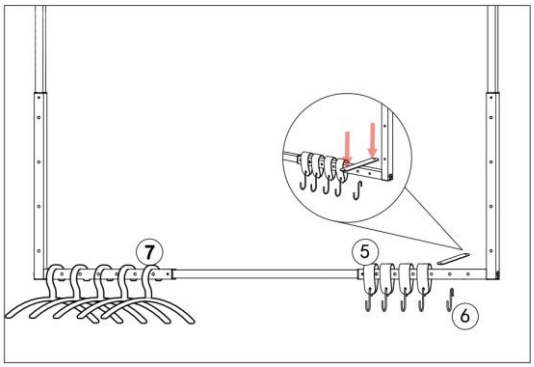

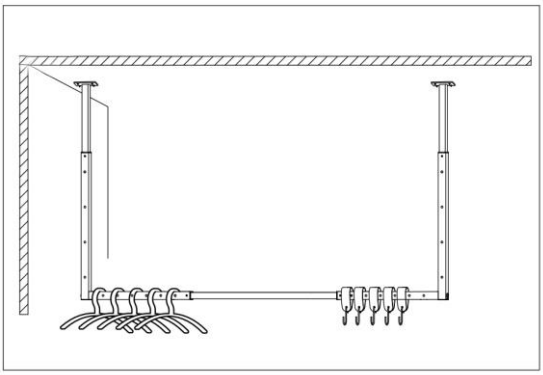

The product is delivered disassembled and can be assembled with some effort. Follow the assembly instructions carefully. The function and safety of the product cannot be guaranteed if the instructions are not followed.

Tools required

	Spirit level		Measuring tape
	Pencil		Cutter knife
	Hammer		Drill
	Allen key		Wrench

6. Structure of the product

Illustration	Description
	**Step 1:** Assemble the coat rail by pressing the buttons on the fastening rod (**1**) and the crossbar (**2**) and connecting them together. Adjust the fastening rod (**1**) and the crossbar (**2**) to the height and width suitable for your use.
	**Step 2:** Mark the desired positions of the drill holes with a pencil.
	**Step 3:** Drill the holes at the corresponding markings. Pay attention to the exact size of the holes.
	**Step 4:** Insert the dowels (**3**) using a hammer. Remove the nut and seal from the M6 x 40 mm screw.

	**Step 5:** Place the rear end of the fixing rod (**1**) on the cavity dowel (3) and make sure to tighten the seals and nuts one after the other.
	**Step 6:** Hang the coat hanger (**7**) on the crossbar **(2**). First fold the leather cover (**5**) in half around the crossbar (**2**). Then align the holes and attach the S-hook **(6**).
	**Step 7:** Finished product. Only use the coat hook as shown in the illustration.

6.1. Operation

Check before using the product,

- the proper condition.

6.2. Storage location

- Store the product in a cool and dry place.

7. Maintenance and care

7.1. Safety instructions

Risk of injury
Improper handling during operation can lead to injuries

- Make sure that the product is securely screwed down
- The product is easy to clean and durable. Clean the surfaces with a damp cloth and a mild detergent.
- Do not use aggressive cleaning agents or high-pressure cleaners for cleaning. Also follow the cleaning agent manufacturer's instructions.

8. Dismantling

Risk of injury
Improper handling during disassembly can lead to injuries

Disassembly of the product must be carried out in reverse order to installation. (see chapter Installation)

9. Waste disposal

9.1. General information

- Dispose of the product and all components in accordance with local and country-specific regulations to prevent damage to the environment.
- Our packaging is made from environmentally friendly materials. These can be recycled and thus serve as valuable raw materials. Dispose of the packaging material (cardboard, dirty packaging, etc.) separately and properly in accordance with the applicable national regulations.
- Contact the manufacturer if you are unsure about disposal.
- You can also obtain information on proper disposal from local waste disposal centers.
