2. Information on the instructions for use

2.1. Availability of the instructions for use

The instructions for use are part of the product and should be kept complete and in the immediate vicinity of the product.

2.2. Target groups of the instructions for use

The instructions for use must be read and observed by every person involved in one of the following activities or uses:

- Unpacking
- Assembly / Installation
- Commissioning / Operation
- Maintenance / inspection / care
- Troubleshooting / repair
- Waste disposal

2.3. Information on the translation

The original instructions for use were written in German. Any other language available is a translation of the German version.

2.4. Explanation of symbols

Symbol	Explanation of symbols
	**WARNING** The symbol indicates possible dangers that could result in fatal or serious injuries. Before carrying out the corresponding installation or application step, read the corresponding note.
	**INFO** The symbol provides important information and indicates material damage. Observe these before carrying out the corresponding installation or application step in order to understand problems and avoid damage.
	**Read instructions for use** The symbol indicates that the operating instructions must be read carefully before mounting/installing and/or operating the appliance.

2.5. General information on the instructions for use

The instructions for use refer to the FLORIDA outdoor daybed. It contains important information on assembly, operation, maintenance and cleaning. The instructions for use, in particular the safety instructions, must be read carefully before using the product; keep the instructions for use in a safe place. Only use the product as described in these instructions for use to prevent accidental injury or damage. If you pass the product on to third parties, these instructions for use must also be handed over.

2.6. Intended use

The product is of high quality, durable and intended or suitable exclusively for private use to a reasonable and customary extent. Furthermore, our product is **not** intended for commercial use. Commercial use is only permitted with the written authorisation of Home Deluxe GmbH.

The product is intended exclusively as a lounger or seat for outdoor use.

Only use the product as described in these instructions for use. Any other use is considered improper and may result in damage to property or personal injury. The manufacturer accepts no liability for damage caused by improper or incorrect use.

2.7. General safety instructions

General hazard warnings

- **Only** install the product if the scope of delivery is complete and in perfect condition.
- Ensure that all parts are undamaged and correctly installed. There is a risk of injury if they are not installed correctly. Damaged parts can affect safety and function.
- Only place the product on a safe, level and firm surface.
- Do not make any changes to the product
- Check the fastening at regular intervals.
- **Risk of falling and tipping:** Do not climb onto the product.

Danger for children

- Keep children away from packaging materials. There is a risk of suffocation!
- Keep children away from the product.
- Keep children away from the assembly site while the product is being assembled. The scope of delivery contains small parts that can be swallowed or cause serious injury.
- **Risk of tipping over!** The product is not a children's toy, climbing wall or sports equipment. The individual elements of the product can topple over when loaded on one side, which can result in death.
- Children can injure themselves when playing with the product or when pulling up on the product
- Do not place the product directly or in the immediate vicinity of a play area.
- Explain to the children how to use the product correctly and never leave them unsupervised while playing.
- Remove all sharp objects, broken glass or stones from the vicinity of the product. Ensure that children at play are not at risk.
- Make sure that small children do not put small parts in their mouths.

Risk of injury
Improper handling of the product can lead to injuries

- Check the product for visible damage before each use.
- Do not make any design changes to the product. Any modifications must be authorised in writing by the manufacturer and carried out in accordance with the instructions.
- If the product is damaged, it must no longer be used. Damaged parts must be repaired or replaced with original spare parts.
- Ensure that the product is permanently installed securely to avoid injury.

Risk of damage

- Improper handling of the product can lead to damage.
- Do not open the packaging with sharp objects (e.g. knives, scissors or similar) as this may damage the product. Be careful when opening.
- Do not use the product near sources of heat or naked flames.

Explosion hazard

- **Caution**: Do not store highly flammable, combustible or explosive substances inside the product. Highly flammable substances can catch fire.
