2.3. Target groups of the instructions for use

The instructions for use must be read and observed by every person involved in one of the following activities or uses:

- Unpacking
- Assembly
- Commissioning / Operation
- Care
- Troubleshooting
- Waste disposal

2.4. Information on the translation

The original instructions for use were written in German. Any other language available is a translation of the German version.

2.5. Explanation of symbols

Symbol	Explanation of symbols
	**WARNING** The symbol indicates possible dangers that could result in fatal or serious injuries. Before carrying out the corresponding installation or application step, read the corresponding note.
	**INFO** The symbol provides important information and indicates material damage. Observe these before carrying out the corresponding installation or application step in order to understand problems and avoid damage.
	**Read instructions for use** The symbol indicates that the operating instructions must be read carefully before mounting/installing and/or operating the appliance.

2.6. General information on the instructions for use

The operating instructions refer to the AQUASUN sun canopy. It contains important information on operation, care and cleaning. The instructions for use, in particular the safety instructions, must be read carefully before using the product; keep the instructions for use in a safe place. Only use the product as described in these instructions for use to avoid accidental injury or damage. If you pass the AQUASUN sun canopy on to a third party, these instructions for use must also be handed over.

2.7. Intended use

The product is of high quality, durable and intended or suitable exclusively for private use to a reasonable and customary extent. Furthermore, our product is **not** intended for commercial use.

The product is designed as a sunshade for the SPLASH and DROP whirlpools.

Only use the product as described in these instructions for use. Any other use is considered improper and may result in damage to property or personal injury. The manufacturer accepts no liability for damage caused by improper or incorrect use.

2.8. General safety instructions

General hazard warnings

- Only install and use the product if the scope of delivery is complete and in perfect condition.
- Ensure that all parts are undamaged and correctly installed. There is a risk of injury if they are not installed correctly. Damaged parts can affect safety and function.
- Wear protective clothing such as safety shoes and protective gloves during assembly.
- Improper handling can lead to considerable personal injury and damage to property.
- Do not make any changes to the product
- Check the fastenings and the cover for damage at regular intervals.

Danger for children

- Keep children away from packaging materials. There is a risk of choking! The scope of delivery contains small parts that can be swallowed or cause serious injuries.
- Keep children away from the assembly site while the product is being assembled. The scope of delivery contains small parts that can be swallowed or cause serious injury.
- Keep children away from the product.
- Do not place the product directly or in the immediate vicinity of a play area.
- **Risk of tipping and breakage!** The product is not a children's toy, climbing wall or sports equipment. The individual elements of the product can fall over or break if loaded on one side, which can result in serious injury or death.
- Explain to the children how to use the product correctly and never leave them unsupervised while playing.
- **Choking hazard!** Explain to the children that they must not stand under the cover as there is a risk of suffocation.

Risk of injury
Improper handling of the product can lead to injuries

- Check the product for visible damage before each use.
- Do not make any design changes to the product. Any modifications must be authorised in writing by the manufacturer and carried out in accordance with the instructions.
- If the product is damaged, it must no longer be used. Damaged parts must be repaired or replaced with original spare parts.
- Ensure that the product is permanently installed securely to avoid injury.

Risk of damage

- Improper handling of the product can lead to damage.
- Do not open the packaging with sharp objects (e.g. knives, scissors or similar) as this may damage the product. Be careful when opening.
- **Risk of falling and burglary**! Do not climb onto the product.
- Do not use the product near sources of heat or naked flames.
- In bad weather, e.g. heavy rain, snowfall or wind speeds, the sun canopy must be dismantled.

Explosion hazard

- Do not store any highly flammable, combustible or explosive substances inside the product.
- Highly flammable substances can catch fire.

3. Product features

3.1. Technical data

AQUASUN sun canopy	
Dimensions (L x W x H)	125 x 185 x 140 cm
Ventilation slot material	Polyester fabric 45 g / m²
Fabric material	330D Oxford polyester
Diameter fibreglass rods	6 mm
Colour	Grey
Weight	1.5 kg

3.2. Product description

Enjoy the summer with our high-quality AQUASUN sun canopy. Your perfect companion for sunny days outdoors!

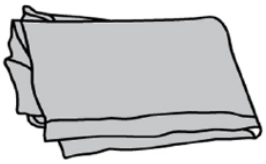

The sun canopy comes in an elegant grey colour. Made from hard-wearing 300D Oxford polyester, the fabric of the canopy offers excellent durability and UV protection, so you can feel completely safe. The poles of the sun canopy are made of lightweight but robust fibreglass, which makes it extremely stable and at the same time makes assembly an effortless experience. Whether in the garden, on the beach or when camping - the sun canopy is easy to set up and offers you the protection you need straight away. A special highlight is the ventilation slit, which ensures optimum air circulation. This allows you to enjoy the pleasant breeze without the heat building up under the canopy. The water-repellent coating also guarantees that you will stay dry even in the event of an unexpected rain shower. The sun canopy comes with a practical storage bag so that you can easily transport and store it.

Lean back, relax and enjoy the summer under our reliable sun protection!

Our AQUASUN sun canopy is ideal for our SPLASH and DROP outdoor hot tubs.

4. Scope of delivery

Check the packaging for external damage on delivery. Furthermore, immediately after unpacking, check that the scope of delivery is complete and that the product and all components are in perfect condition. Only use the product if the scope of delivery is complete and undamaged.

5. Assembly

- Read the following instructions carefully.

5.1. Safety instructions

The following health and safety information must be read carefully.

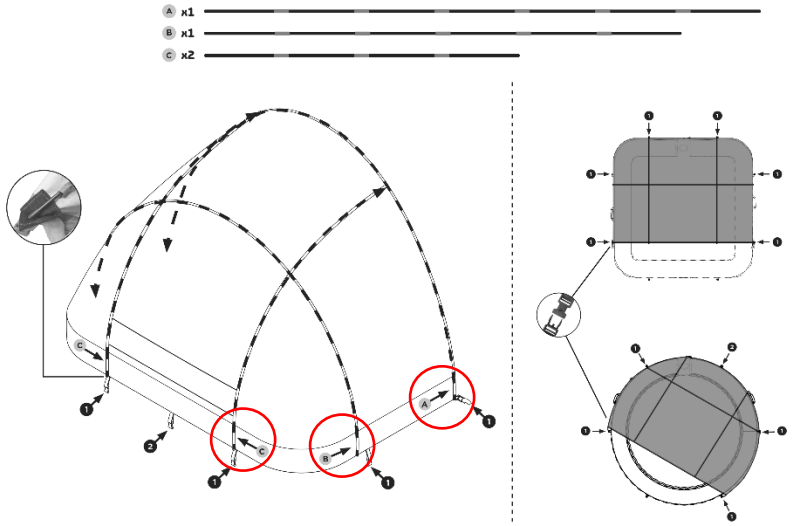

Risk of injury

Improper handling during installation can lead to injuries and damage

- Do not open the package with a cutter knife or similar sharp tool. Open the top of the parcel. Be very careful when opening as there are sensitive parts in the parcel.
- **Only** install the product if the scope of delivery is complete and undamaged.
- Do not make any changes to the product.

5.2. Structure of the product

The product can be fitted with little effort. Follow the installation instructions carefully. The function and safety of the product cannot be guaranteed if the instructions are not followed.

Illustration	Build-up step
	**Step 1:** - Insert the rods **(A)**, **(B)**, **(C)** through the predetermined positions (see red markings). - Click the cover **(D)** onto the whirlpool tub using the buckles.

6. Application

6.1. Safety instructions

The following health and safety information must be read carefully.

Risk of injury

Improper handling during operation can lead to injuries and damage

- Do not use a damaged product.
- Do not make any changes to the product.
- The product is not a children's toy and is not a hiding place for children and animals. Children are not permitted to play with the product.

6.2. Initial commissioning

Check the product for damage before using it for the first time. The product may only be used if it is undamaged.

6.3. Operation

Check before using the product,

- the proper condition

6.4. Storage location

- Store the product with the product in the winter season in a well-ventilated, dry and covered place that is as protected from the weather as possible.

If the product must remain outdoors, cover it and place it under a roof and on dry and sheltered ground.

7. Cleaning and care

The product is weatherproof, easy to clean and UV-resistant
To clean the product of dust and dirt, spray it with cold water (30°C) from a garden hose or wipe it with a soft cloth soaked in water. Clean heavily soiled areas with a sponge soaked in a mild detergent and rinse with cold water.

8. Waste disposal

- Dispose of the product in accordance with local and country-specific regulations to prevent damage to the environment.
- Our packaging is made from environmentally friendly materials. They can be recycled and thus serve as valuable raw materials. Dispose of the packaging material (cardboard, dirty packaging, etc.) separately and professionally in accordance with the applicable national regulations.
- Contact the manufacturer if you are unsure about disposal.
- You can also obtain information on proper disposal from the local waste disposal centres.
