Double bar mesh garden gate PORTARIUS green 2000 mm (leaf, accessories) - Package 1 of 2 | Item ID: 11334 | Variant ID: 9405
Double wire mesh garden gate PORTARIUS green 2000 mm (post) - Package 2 of 2 | Item ID: 11335 | Variant ID: 9406

1.2. General notes

In order to fulfil our claim, we are constantly improving quality, simplifying installation and operation and adapting the products to customer requirements. Due to these changes, the current version of the instructions for use can be found on our homepage.

The term "product" is used in the instructions for use for the "PORTARIUS" double bar mesh garden gate.

1.3. Guarantee

The statutory liability for defects and warranty rights apply from the date of purchase.
Home Deluxe GmbH accepts no liability for damage caused by non-compliance with the instructions for use. Complaints arising from improper installation or use are excluded from the warranty. In the event of defects in the product, please contact our customer service in writing using the contact form on our homepage, stating the product name, serial number and a photo of the type plate:

Home Deluxe GmbH

If you have any further questions, please contact our customer service team using the contact form.

2. Information on the instructions for use

2.1. Availability of the instructions for use

The instructions for use are part of the product and should be kept complete and in the immediate vicinity of the product.

2.2. Information on the translation

The original instructions for use were written in German. Any other language available is a translation of the German version.

2.3. Target groups of the instructions for use

The instructions for use must be read and observed by every person involved in one of the following activities or uses:

- Unpacking
- Assembly / Installation
- Commissioning / Operation
- Maintenance / inspection / care
- Troubleshooting / repair
- Waste disposal

2.4. Explanation of symbols

Symbol	Explanation of symbols
	**WARNING** The symbol indicates possible dangers that could result in fatal or serious injuries. Before carrying out the corresponding installation or application step, read the corresponding note.
	**INFO** The symbol provides important information and indicates material damage. Observe these before carrying out the corresponding installation or application step in order to understand problems and avoid damage.
	**Read instructions for use** The symbol indicates that the operating instructions must be read carefully before mounting/installing and/or operating the appliance.

2.5. General information on the instructions for use

The instructions for use refer to the PORTARIUS double bar mesh garden gate and contain important information on installation, operation, maintenance and cleaning. The instructions for use, in particular the safety instructions, must be read carefully before using the product; keep the instructions for use in a safe place. Only use the product as described in these instructions for use to prevent accidental injury or damage. If you pass the PORTARIUS double bar gate on to a third party, these instructions for use must also be handed over.

2.6. Intended use

The product is of high quality, durable and intended or suitable exclusively for use in private households to a reasonable and customary extent. Furthermore, our product is **not** intended for commercial use.

Only use the product as described in these instructions for use. Any other use is considered improper and may result in damage to property or personal injury. The manufacturer accepts no liability for damage caused by improper or incorrect use.

2.7. General safety instructions

General hazard warnings

- Improper handling can lead to considerable personal injury and damage to property. For this reason, assembly, installation, commissioning, troubleshooting, maintenance and repair work may only be carried out by qualified persons.
- The product can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
- **Only** install the product if the scope of delivery is complete and in perfect condition.
- Ensure that all parts are undamaged and correctly installed. There is a risk of injury if they are not installed correctly. Damaged parts can affect safety and function.
- Only place the product on a safe, level and firm surface.
- Do not make any changes to the product.
- Check the fastening at regular intervals.

Danger for children

- Keep children away from packaging materials. There is a risk of suffocation!
- Keep children away from the product.
- Keep children away from the assembly site while the product is being assembled. The scope of delivery contains small parts that can be swallowed or cause serious injury.
- The product is not a children's toy, climbing wall or sports equipment.
- Children can injure themselves when playing with the product or when pulling up on the product
- Explain to the children how to use the product correctly and never leave them unsupervised while playing.
- Remove all sharp objects, broken glass or stones from the vicinity of the product. Ensure that children at play are not at risk.
- Make sure that small children do not put small parts in their mouths.

Risk of injury
Improper handling of the product can lead to injuries

- Check the product for visible damage before each use.
- Do not make any design changes to the product. Any modifications must be authorised in writing by the manufacturer and carried out in accordance with the instructions.
- If the product is damaged, it must no longer be used. Damaged parts must be repaired or replaced with original spare parts.
- Ensure that the product is permanently installed securely to avoid injury.

Risk of damage

- Improper handling of the product can lead to damage.
- Do not open the packaging with sharp objects (e.g. knives, scissors or similar) as this may damage the product. Be careful when opening.
- If you open the packaging carelessly with a knife or other sharp objects, the product may be damaged. Be very careful when opening the packaging.
- Do not climb onto the product as there is a risk of falling and tipping over.

3. Product features

	**Step 4:** Screw the door fitting (**7)** to the door leaf using the telescopic screws (**6**).

	**Step 5:** Screw the lock latch (**8)** to the left-hand gate post (**2**) using the retaining clips (**9**) and screws (**10)**.
	**Step 6:** Place the cover caps (**11**) on the screws.

5. Application

5.1. Safety instructions

The following health and safety information must be read carefully.

Risk of injury
Improper handling during operation can lead to injuries

- Do not use a damaged product.
- Do not make any changes to the product.
- The product is not a children's toy, climbing wall or sports equipment. Children are not permitted to play with the product.
- Check the fastening at regular intervals.

5.2. Initial commissioning

Check the product for damage before using it for the first time. The product may only be used if it is undamaged.

5.3. Operation

Check before using the product,

- the proper condition.
- All fastenings

6. Troubleshooting

If the following faults occur during operation, please check the following fault causes using the following table. If the fault cannot be rectified by the measures listed, take the product out of operation.

Error	Possible cause	Solution
The product wobbles or vibrates	- The fastening screws have come loose - The product is overloaded - The product is not used correctly	- Tighten the fastening screws - Comply with load limits - Use the product correctly

If another problem occurs with the product, please contact us.

7. Maintenance and care

7.1. Safety instructions

Risk of injury
Improper handling during operation can lead to injuries

- Clean the surfaces with warm water and a soft brush or cloth.
- Do not use aggressive cleaning agents or high-pressure cleaners for cleaning.
- Also observe the instructions of the detergent manufacturer.

8. Dismantling

8.1. Safety instructions

Risk of injury
Improper handling during disassembly can lead to injuries

- At least 2 people are required for disassembly.
- Secure the product against falling before dismantling.
- Disassembly of the product must be carried out in reverse order to assembly. (**see chapter Assembly**)

9. Waste disposal

9.1. General information

- Dispose of the product and all components in accordance with local and country-specific regulations to prevent damage to the environment.
- Our packaging is made from environmentally friendly materials. They can be recycled and thus serve as valuable raw materials. Dispose of the packaging material (cardboard, dirty packaging, etc.) separately and professionally in accordance with the applicable national regulations.
- Contact the manufacturer if you are unsure about disposal.
- You can also obtain information on proper disposal from the local waste disposal centres.
